GRAN PATRÓN SELECTIONS

(1oz/2oz)

PATRÓN EN LALIQUE: SERIES I & II

860/1720

An exceptional blend of the oldest and rarest Patron tequilas. Hand-selected from Patrons' barrel aging room at the Hacienda Patron Distillery in the hills of Jalisco, Mexico. The extra añejo tequila is aged for at least four years in a combination of new American oak and new and used French oak barrels to achieve the right balance of agave and oak notes. This special series is limited to 500 bottles worldwide.

GRAN PATRÓN BURDEOS

78/156

Distilled from the finest Blue Agave grown in the highlands of Jalisco, Mexico. The Tequila is matured in a blend of American and French oak barrels and aged for a minimum of 12 months. It is then distilled again before it is racked in vintage Bordeaux barrels, hand-selected to add the distinctive flavors of vanilla, raisins and dried fruit found in the finest Bordeaux wine.

GRAN PATRÓN PIEDRA

50/100

From the Highlands of Jalisco, the 100% Weber Blue Agave is slowly steam-cooked before crushing with a 2-ton volcanic tahona stone. Aged a minimum of 36 months in new American and French oak barrels.

GRAN PATRÓN PLATNUM

35/70

The world's finest platinum tequila. Triple distilled then aged to perfection, it is a true connoisseurs silver tequila. This is the smoothest sipping tequila ever produced.

PATRÓN ROCA

“Roca” (Spanish for “rock”) - namely, the two-ton volcanic stone wheel, also known as a “tahona,” that’s used to crush the baked agave and squeeze out the juice that becomes the basis for tequila. Most modern day tequila makers have long abandoned this old-fashioned process in favor of modern crushing methods. But the idea with Roca was to honor tradition and get that purer agave flavor. Roca is made by fermenting both juice and some of the agave fiber together; the fiber, which is later separated, adds a certain richness of flavor.

EL JOLGORIO SINGLE VARIETY MEZCALS

El Jolgorio is a range of artisanal mezcal from Oaxaca, made from a wide variety of rare, unique agave species. In Mexico, there are around fifty different species of agave used for mezcal production, each yielding a mezcal with its own distinct character. In 2010, the Cortés family began building a collective of top mezcal distillers from around Oaxaca, with the goal of sharing the true culture and spirit of mezcal with the world. In all, El Jolgorio represents sixteen different families, working in ten different regions of Oaxaca, Mexico, each with its own special story. Every bottle is hand-marked with the specific details of each batch, to truly connect the drinker with the family behind the expression.

OLD RIP VAN WINKLE BOURBONS

The heritage of the Old Rip Van Winkle Distillery started over 100 years ago with Julian “Pappy” Van Winkle’s sole vision to make an “honest and good product.” It all began with a collaboration with a traveling whiskey salesman, W.L. Weller & Sons, during and after the Prohibition Era. From the warehouse to the road, he set out with a mission to create the finest bourbon and would not accept anything less. Pappy’s son, Julian Jr, operated the distillery from 1964 until the family sold it in 1972. He never stopped bottling on the side and eventually created the Old Rip Van Winkle label with his son, Julian III. It was after his father’s passing and during a lull in the sales of premium bourbons that he focused on perfecting the essence of his family’s business. Julian purchased the Old Hoffman Distillery in Lawrenceburg, Kentucky and despite very little advertising, the quality of Old Rip Van Winkle sold itself. In 1999, Buffalo Trace purchased the W.L. Weller label and with the addition of Preston Van Winkle into the family business in 2001, the family’s exact recipe and strict quality of standards have been maintained ever since for future generations to enjoy.

MACALLAN 1824 SERIES

(1oz/2oz)

“M” THE ULTIMATE MACALLAN

620/1240

M sits at the pinnacle of The Macallan’s 1824 Series. Created from the rarest whiskies at the distillery, it is the most expensive whisky ever sold. M was born with a collaboration between three masters of their crafts: Fabien Baron, Lalique & The Macallan, with a unique objective; to create the most sophisticated whisky in the world contained in an exquisite, exclusively designed crystal decanter. M is a masterpiece of design brought to conception by creative director, Fabien Baron; brought to life by Lalique’s mastery of crystal; and brought to purpose by The Macallan’s highly complex, meticulously crafted single malt whisky.

MACALLAN REFLECTION

200/400

The Macallan Reflection represents the natural color and beauty of The Macallan – a true reflection of the foremost influence of first fill sherry seasoned oak casks. A deep red mahogany hue, taken directly from the cask, is beautifully enhanced by the angular facets of the carefully crafted decanter. The depth of color coupled with the complex flavor of Reflection; derive from the casks selected for this distinctive expression by The Macallan’s Master Whisky Maker, Bob Dalgarno. Bold and full-bodied, Reflection is a celebration of floral and vanilla notes, punctuated with fresh apples and apricots.

MACALLAN RARE CASK

60/120

Crafted to showcase complexity and depth, Rare Cask is drawn from the broadest spectrum of casks, 16 different types, ever identified by the Master Whisky Maker. Far less than 1% of those casks maturing at the distillery have been identified as fitting to bestow the Rare Cask name. With rarity at its core, this is whisky crafted from casks so rare they will never again be used in any Macallan whisky. Combining Spanish and American Sherry seasoned oak casks, a high proportion of them first fill, gives rise to an exquisite whisky with a splendidly rich hue, and an unmistakably woody whisky.

THE BALVENIE DCS CHAPTER 4 EXCLUSIVELY AT SAN YSIDRO RANCH

The Balvenie DCS Compendium is a whisky collection curated by David C Stewart MBE, the fifth and longest-serving Malt Master at The Balvenie Distillery.

This chapter is a selection of needles in our proverbial haystack of maturing stock across the decades. David wasn't sure where to begin, although "I had a few ideas of where there might be some surprises," he laughs.

David's role is one of reacting to the unexpected, dealing with it and marching on. "I supply the figures and forecasts as I see them, but the final decisions are really in the hands of the family. It is my job, however, to decide how to deal with these decisions."

While previous chapters have been quickly secured by collectors in the U.S., one set of DCS Chapter Four will be featured exclusively at the Stonehouse at the San Ysidro Ranch Hotel in Montecito. It will be available for connoisseurs to sample by the flight for **\$5,000** or individual pours of each vintage...

HENNESSY SELECTION

(1oz/2oz)

HENNESSY RICHARD

460/920

A blend of the Grand Siecles: A unique assemblage of over 100 eau-de-vie matured to their fullest; the oldest of these are extremely rare. Some blends were selected in the early 19th century and then nurtured by the ancestors of Yann Fillioux, seven generations of Master Blenders whom produce the prestigious Hennessy Richard Cognac.

HENNESSY PARADIS

125/250

With a blend of over 100 very old eau-de-vie Paradis reveals its delicate and velvety character, hinting at the silky texture that will follow. Then floral notes of jasmine and honeysuckle burst forth, underlined by a layer of soft red berry intensity.

HENNESSY, EXTRA OLD

44/88

Created by Maurice Hennessy in 1870 for his circle of friends, X.O was born at a turning point in history. The 100 eau-de-vie assembled to create X.O were aged for multiple years - some 30 - to give it unparalleled robustness. Its intense and deep amber color is a sign of its strength. Its flavors of candied fruit and its subtle and lightly spicy nose create a complete harmony. The long finish expresses all the complexity of the cognac's blending and its long aging process.
